

AFNO CGHS LTD
USE OF PLASTIC BAGS

1. The Delhi Govt had issued a blanket ban on the use of plastic carry bags across the city sometimes back. The ban covers not just use of plastic bags but also its manufacture, sale and storage. The Delhi govt. order states no person including any shop keepers, vendor, wholesaler or retailer, trader, hawker or *रेडी* wala can sell or store or use any kind of plastic carry bag for storing or dispensing of any eatable or non-eatable or materials. Even plastic book covers are disallowed.
2. Consequent to the above notifications by the Govt of NCT Delhi MC had informed the shop keepers/vendors not to pack their products in plastic bags to supply to our residents. The shopkeepers had initially attempted to stick to our instructions. However their efforts got diluted due to various reasons.
3. Management Committee have been receiving a number of complaints from our own residents and activists that our vendors are still rampantly using plastic bags for dispensing of their products. Needless to say that many residents are also extending their support to the vendors in this regard --- resulting in generation of tens of kilos of plastic material in the campus.
4. We have now issued instructions to all our shopkeepers not to dispense their products in plastic bags. All residents are requested to show positive response to our efforts to make our campus free of plastic bags.
5. The MC will take serious measures against those vendors who are not complying with these instructions. This may include in extreme cases closure of their shops.
6. Lastly, the Shop-owners have been instructed to keep sufficient number of packing/dispensing material under his/her arrangements to ensure no inconvenience is caused to the customers when they visit their premises.
7. This is the fourth repeat of the instruction on the subject.
