DISCONTINUATION OF DISTEMPERING WORK IN BLOCK NO.1 AND 6

Dear Members,

We have received a number of representations from the owners / residents of blocks no's 1 and 6, on our stoppage of work of distemperring of the stilt parking and other common area of the society after completing the job at block no. 2, 3, 4 and 5. In this connection it may be clarified that out of Rs. 7 lakhs sanctioned by AGM held on 04.09.2022 a sum of Rs.6.3 lakhs (approximately) has already been deployed for the works at 2, 3, 4 and 5 blocks. We have in our inventory distemperring materials worth Rs.55,604/- (actuals) which will be used up in execution of the remaining work. The work has to be carried out without further delay since the materials in our stores may become unfit for use due to moisture ingress to materials like putty etc. We are approaching the general body through an SGM for sanction of additional funds for taking up the jobs at block no.1 and 6, basement parking's, community centre premises, stair cases, lift lobbies, corridors etc etc. The meeting which was scheduled on 27.11.2022 for which intimation had been given with complete details via call-up notice issued on 20.11.2022. This meeting has now been re-scheduled to be held on 29.11.2022 at the same venue and timings without any change in agenda points. The work will be restarted immediately after the approval by the general body.
